

GUIDELINES OF LICENSE FEES

1. Only those athletes will be admitted in the Inline Alpine World Ranking List and the Inline Alpine World Cup who paid the licence fee. The status of these athletes will be “active” (status “A”).
2. The license fee is EUR 25,- per athlete and year.
3. A starting authorization for World Cup races is only given to athletes with the status “A”.
4. Athletes with the status “not active” may take part in other world ranking races, but their results will not be included in the official result list, they will not receive world ranking points.
5. The general deadline for payment is the point of time of registration deadline before a race. Only on payment of the license fee, the athlete can be registered for a World Cup race and he/she will be considered in the calculation of points in world ranking races.
6. The payment of the license fee is to be carried out directly to the World-Skate IA bank account by the athlete, or by the representative of the club or association. The registration must be made using the official form **Registration-WORLDSKATE-IA.xls**.
